# Police chief Gargan resigns with three months' pay after misconduct charges

NICK Gargan has resigned as Chief Constable of Avon and Somerset Police with immediate effect, following a "protracted and lengthy" process.

Somerset's Police and Crime Commissioner (PCC) Sue Mountstevens initiated the process re-

quiring Mr Gargan to step down on August 19th. The call for his resignation stemmed from concerns from within the constabulary, residents and

three former Chief Constables that Mr Gargan had lost the confidence of the organisation and those he was there to serve after being found guilty of eight counts of misconduct in July.

Mr Gargan was suspended from his £175,000 a year post for 17 months amid allegations of gross misconduct involving inappropriate advances to-

wards women, of which he was cleared in July. However, an inquiry panel did find him guilty of eight counts of misconduct, including sending, receiving and storing intimate images of a sexual nature on his police phone.

Mr Gargan intended to return to work following the inquiry and 15 months of suspension, but public outcry led Ms Mountstevens to call for his resignation.

On September 25th, the PCC received a report from Her Majesty's Chief Inspector of Constabulary, Sir Thomas Winsor, supporting her decision to initiate the process re-

quiring the Chief Constable to stand down.

In his view, a Chief Constable without the confidence of his officers and staff risked the efficiency and effective running of the Constabulary.

Mr Gargan will leave his position as the Chief Constable of Avon and Somerset with three-months' salary in lieu of notice as the terms of his contract state, totalling just under £45,000.

Ms Mountstevens said: "I have accepted Mr Gargan's resignation with immediate effect.

"I think this is in the best interests of the constabulary, and residents. It also means that the protracted and lengthy Section 38 process will end immediately and no further legal expense will be incurred.

"I have agreed to pay Mr Gargan three-months' salary in lieu of notice as the terms of his contract state.

"This was not a decision I took lightly and I have considered it very carefully.

"However, in order to bring the legal proceedings to a close this is the most cost-effective outcome. It also means that I can begin the process of recruiting a new Chief Constable as soon as possible and the organisation can move on.

"Temporary Chief Constable Gareth Morgan will continue to lead the Constabulary while a recruitment process takes place. I would like to thank Gareth for his leadership and the valuable contribution he makes to the organisation."

## TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

### SOUTH SOMERSET Police chief Gargan resigns with pay after misconduct charges

**NICK** Gargan has resigned as Chief Constable of Avon and Somerset Police with immediate effect, following a "protracted and lengthy" process.

Somerset's Police and Crime Commissioner (PCC) Sue Mountstevens initiated the process requiring Mr Gargan to step down on August 19th. The call for his resignation stemmed from concerns from within the constabulary, residents and three former Chief Constables that Mr Gargan had lost the confidence of the organisation and those he was there to serve after being found guilty of eight counts of misconduct in July.

## From the editor's chair Yet another blow to Seaton

**NO** one in Seaton will be too surprised that the town's police station is to be closed down for good.

When the front office was shut to the public in recent times, the writing was on the wall and it was expected that the station would disappear completely when the next round of cuts arrived. That day is here with the Devon and Cornwall Constabulary facing £54 million of savings.

The Mayor of Seaton, Councillor Tony Woodman, took the news very philosophically, saying: "The station is just a building and the important matter is if, and how, this will affect the actual policing of our town."

Councillor Woodman went on to point out that Seaton has a low crime rate and praised "the wonderful work" of the local police officers. And many will share his view that by

having three police officers stationed in the town was reassuring for all.

The Mayor, quite rightly, also sounded a warning and urged the public to "stand up and fight" to save vital services, promising to make sure the matter is on the agenda for the next council meeting so the public can have their say.

♦ **THE** sudden death of the Rector of Axminster, the Reverend John Streeting, 62, came as a big shock to his congregation and the wider community when announced by the Archdeacon at the Sunday morning service.

I always found the Reverend Streeting very approachable. He had a easy going aura. He was committed to his calling and the people of Axminster. Our condolences go to his wife Liz and his children.

### AXMINSTER Town in mourning after sudden death of Rector

**AXMINSTER** is in mourning after the sudden death of the town's popular Rector, the Reverend John Streeting.

News of the Reverend Streeting's passing was first heard later that day, and a formal announcement was made during Sunday services in all Axe Valley Community Mission churches.

The Archdeacon of Exeter, the Venerable Christopher Fletcher, took services in The Minster, Axminster, and told the congregation: "I am very sorry to have to tell you all that your Rector, Father John, has died suddenly after a short illness."

"He was admitted to hospital last week and died in the early hours of Thursday morning from pneumonia."

"I know this will come as a great shock to you all. John's funeral has not yet been confirmed but that news will be shared as soon as it is available."

"I know you will all hold John, Liz and their children in your prayers."

### SIDMOUTH Praise for 'Working Together' event

**AN** East Devon District Council event has been praised by local MPs for highlighting the 'fantastic and invaluable' voluntary and community organisations in East Devon.

East Devon MP Hugo Swire along with Honiton and Tiverton MP Neil Parish attended the district council's annual 'Working Together for the Future of East Devon' event, held at The Knowle in Sidmouth.

Over 100 representatives of voluntary organisations and community groups were in attendance.

The day aimed to bring local agencies together to improve communications between the voluntary and statutory sectors.

Mr Swire said: "I was especially pleased that mental health and dementia formed the theme of this year's event. These issues pose great challenges, but in East Devon we are fortunate enough to have a number of individuals and organisations committed to working alongside the Government to improve the lives of vulnerable people."

### EAST DEVON Residents can still have say on how council services are delivered

**EAST** Devon District Council is reminding residents that they can still have their say on how to help make the council's relocation from Sidmouth as successful as possible.

The reminder comes after 3,000 East Devon homes were randomly chosen by the district council to take part in a consultation process to help inform the council on how to make the move from Sidmouth to Honiton and Exmouth as successful as possible.

The consultation, however, is open to all other East Devon residents, who can have their say by going online and completing the questionnaire. Those choosing to participate in the consultation can enter a prize draw for vouchers worth £100 and can also sign up to receive the results.

EDDC leader and Honiton St Paul's councillor, Paul Diviani said it was their duty to make sure that everyone can access the services they need and that EDDC's services represented great value.

The closing date for the 'Moving and Improving' consultation is Thursday, November 12th 2015. The online questionnaire can be found at <http://www.eastdevon.gov.uk/consultation-and-surveys/moving-and-improving>

### SEATON Police station set to close down for good

**SEATON** Mayor Tony Woodman says residents must "stand up and fight" to save vital services after a complete closure of the police station was announced.

"We must be prepared to stand up and fight for our town and its services," he said, fearing the town may lose its "already limited police presence".

Seaton Police Station has been earmarked for complete closure at some point during next financial year.

Although the public enquiry office closed some time, the station has continued to be a base for officers.

But that is about to come to an end as part of a £54million cost cutting measure.

It is not known how policing in Seaton will work after the closure, but there are two options 1) no base for police officers 2) a community base.

In short, a community base is a small office which may be shared with "other public sector partners".

Andrew White, chief executive for the office of Police and Crime Commissioner Tony Hogg, said: "Both the commissioner and chief constable are clear - given the choice they always prefer to spend money on police officers rather than bricks and mortar."

## Police launch appeal after woman assaulted in Tatworth

A WOMAN was assaulted by a man when taking an evening walk in Tatworth, near Chard.

The 49-year-old woman was walking along Pop Lane between 5pm and 6.30pm on Monday, October 12th when she was attacked by a man. She managed to get away before raising the alarm at a nearby property.

A police spokesperson said: "The offender is described as white, of medium build, 5ft 8ins, between 50 and 60 years old with receding grey straight hair. He was wearing glasses, a sleeveless blue fleece with a zip-up front, grey coloured chino trousers and he smelt of tobacco."

The police bulletin didn't give any further details, nor did it say if the victim suffered any physical injuries.

Detective Sargent Chris Palmer, however, did

say: "This is a concerning incident in which a woman was attacked in broad daylight. This was a traumatic experience for the victim and we're offering her all the support and help she needs.

"I'm asking people to come forward if they recognise the description we've issued. Have you seen a man like this in the local area? Did you see or hear anything suspicious or unusual around the time of the incident. Do you use this lane and if you do, have you seen or heard anything unusual in recent days?"

"I'd like to reassure the public that a full investigation is under way with resources dedicated to it." If you can help, please call Yeovil Investigations via 101 and quote reference number 5215017426.

## Long-term plans for pool to be discussed

DISTRICT councillor Amanda Broom says talks about long-term plans for Chard Cresta Pool will take place this week.

The facility, which had to close before re-opening last week, is run by a not for profit leisure trust.

Speaking last week, councillor Broom, who represents Chard Combe Ward, said: "The pool has reopened this week. The closure related to an electrical fault, which impacted on the heating system, and was unrelated to the previous issues in the changing room.

"I have been liaising closely with Somerset County Council over the pool for the last few weeks, and can confirm the work on the

changing rooms is scheduled to take place. Longer term plans are being discussed next week with the relevant stakeholders."

When asked about the recent petition by town councillors in Chard, she said "Somerset County Council is fully aware of the funding required for this pool, though a campaign will only add weight to supporting this.

"I believe this a great example of how councillors can work together to achieve great results for the town of Chard."

If anyone has any concerns or comments about the pool, they can contact her on 07971 109803 or at [Amanda.Broom@SouthSomerset.Gov.Uk](mailto:Amanda.Broom@SouthSomerset.Gov.Uk)

## Heritage Lottery Fund donates £22,000 toward church repairs

THE Heritage Lottery Fund (HLF) has come to the aid of St George's Church in Hinton St George by giving a £22,000 grant, which is likely to be followed by a much bigger one.

During a routine inspection last year, it was discovered that the historic 15th century, grade I listed church needed about £150,000 spent on urgent repairs to the fabric, principally the tower.

Faced with a financial outlay far beyond its means, the parochial church council (PCC) turned to the HLF for help and a project was drawn up that includes not only the fabric repairs but also aims to enhance worship, increase community use and improve access for the disabled.

In addition to the urgent repairs, the scheme provides for replacing the outdated and inefficient lighting in the church, re-ordering a section of the pews and provision of chairs and tables to deliver a community space, improvement of the access to the renowned Poulett Memorial Chapel and lastly, the creation of a Heritage Engagement Centre where schoolchildren, village residents and visitors can engage with the heritage of the church, the progress of the project and the history of the village.

Following a formal application to the HLF, a grant of £22,000 has been awarded to the PCC towards the costs of developing the project, during which further investigations will be carried out to confirm the scope of work, specifications and costings of every element of the project. This work is expected to be completed by the end of this year, following which a final application will be made to HLF for a major grant towards the completion of the project, for which funds have already been earmarked\*.

It is expected that the church will remain open throughout the works, which will require scaffolding to be erected on the tower during the course of

2016.

PCC project manager David Clements said: "We are absolutely delighted at the award of this grant from the HLF, which will not only conserve the fabric of this wonderful building for future generations but also widen the possibilities for community use and for visitors alike.

"Now we have our own part to play in raising the counterpart funding to complement the HLF grant."

Joint Rectors, Julia and Bob Hicks added their thoughts: "The wonderful church of St George has been central to the worship and life of the people of Hinton St. George for many centuries.

"This ambitious project will help us to reach out to the present and future generations in new and exciting ways."

Nerys Watts, Head of Heritage Lottery Fund South West, added: "For nearly eight centuries there has been a church on this site and for much of that it has been St Georges so, as well as being a much-loved local landmark, the church has a wealth of history and heritage to explore and protect.

"Thanks to money raised by National Lottery players we're pleased to offer our support to this project and look forward to seeing the plans develop."

\* Grants for Places of Worship applications are assessed in two rounds. A first-round pass is given when HLF has endorsed outline proposals and earmarked funding. A first-round pass may also include an immediate award to fund the development of the project.

Detailed proposals are then considered by HLF at second-round and as long as plans have progressed satisfactorily and according to the original proposal, an award for the project is confirmed.

## Messy Church group marks sixth birthday

CHARD Messy Church celebrated its sixth birthday at its recent session.

Not surprisingly, the theme for the session was "The Big Party" and the activities reflected the theme, rounded off with a party tea and a birthday cake made by one of the mums.

The next Messy Church, organised by Chard Churches Together, will be held on Thursday, November 12th from 4pm to 6pm, at the Baptist Church, Holyrood Street, Chard.

This is open to all children, accompanied by a parent or parents and siblings. The event is free, and includes a hot meal, though donations towards the costs are welcome.

## Jazz concert in aid of church

SUNSET Café Hot Four will play at a jazz concert in aid of St Stephen's Church Tower Funds in Winsham, near Chard.

The concert will be held in the church on Friday, October 23rd, starting at 8pm. Tickets are £10 on the door or in advance from the village shop.

Refreshments will be sold during the concert and those attending are asked to bring their own cushions.

## Correction

IN last week's edition of the *Pulman's View* it was incorrectly reported in the article titled "Don't Tell the Bride", on page five, that the bride visited a shop in Ilminster called "Prima Dona Brides" when it was in fact Prima Moda Brides.

We apologise for any confusion caused.

## Police commissioner 'encouraged' by government funding proposals

AVON and Somerset's Police and Crime Commissioner Sue Mountstevens says she is "encouraged" by new proposals on the formula the government uses to allocate funding towards police forces.

Ms Mountstevens says she is pleased with revisions to the formula, following the recent Home Office consultation over the way it divides funding towards police forces in England and Wales.

The commissioner has long campaigned for a fairer funding deal from central government for Avon and Somerset, with the current formula for dividing money between police forces being outdated, unfair and not fit for purpose.

She said she is glad that a number of elements from the Avon and Somerset submission to the consultation appear to have been included in the proposals by the Policing Minister Mike Penning MP, and thanked the areas local MPs for their support in raising the issue with the Home Office.

Ms Mountstevens said: "I'm encouraged by the revised proposals from the government, while the consultation remains ongoing this potentially looks like Avon and Somerset will receive the same relative share of police funding it does currently.

"Before the revisions to the proposed formula, we stood to lose tens of millions of funding on top of the Comprehensive Spending Review reductions in November.

"I'm grateful to our local MP's for

listening to our arguments and responding to the Home Office consultation.

"While the revised formula is much improved, my office will make a final response to the Home Office to ensure the population of a police force area is given greater consideration, as population gives one of the best indications for both crime and non-crime volume and demand.

"Whatever the eventual outcome of the funding formula, we still face a very significant financial challenge from the comprehensive spending review in November. Even at the 'low' end of the reduction scenarios of 20-25 per cent we are facing an annual deficit growing to £25-30million by 2019/20.

"With cost pressures from pay, increments and national insurance changes we could be forced to lose hundreds of police officers and staff over the next four years. The challenge of the comprehensive spending review will force a radical rethink about the delivery of police services.

"Avon and Somerset will continue to be innovative and seek to collaborate with other police forces and partners to maintain services but ultimately the workforce will be smaller going forward."

The Home Office consultation on the revised funding formula closes on October 30, the Comprehensive Spending Review announcement is expected at the end of November.

## Focus on education hoped to improve road safety

ROAD safety experts are keeping education and engineering at the top of their agenda as they continue the fight to make Somerset's roads safer.

Somerset County Council's Road Safety Team have published the casualty report for 2014 and found that, whilst there was an increase of five in the number of people killed on Somerset's roads compared to 2013, the total number killed or seriously injured stayed the same. Both are still within targets set for 2020.

Accident information from the police shows that in 2014 there were 33 fatalities, 185 serious and 1,405 slight casualties. This equates to averages of 18 people killed or seriously injured and 117 slight accidents every month throughout 2014.

In a bid to reduce these figures Somerset County Council's Road Safety Team continue to place great importance on education and engineering measures. These include targeted education and training for children and adults and safety engineering improvements, such as enhancing existing signs and white lines, and traffic calming measures like speed humps and chicanes.

These improvements should reduce accidents, save lives and reduce costs to the health and emergency services, as well as lessen congestion and shorten overall journey times for road users.

Councillor David Fothergill, Somerset County Council's lead Cabinet member for road safety said: "Using the 2014 data, we have a clearer indication of the areas we need to prioritise to make roads safer for the future.

"Despite some road safety progress there are always areas where we can work harder, and we aim to really focus our attention on preventing accidents in the first place.

"This can be achieved through education (via school visits and public events) and also by enhanced safety on roads, such as upgrading existing signs and lines and considering traffic calming measures."

In 2014, 28,000 people received road safety advice through educational events, nearly 2,000 schoolchildren took part in 'Bikeability' training, and seven new School Crossing Patrol personnel were trained and have since begun working their roles.

Over 2,000 people have also subscribed to Somerset's Road Safety Twitter and Facebook pages. Local businesses have also been supported when running fleets through the Mind Your business programme.

The successful Small Improvements Scheme programme has also provided engineering solutions at priority sites with road safety problems and helped to resolve community concerns over highways issues.

# Chard continues to fundraise for Macmillan Cancer Support

**JOB DONE:** Angela Smart, Anne Bosence and Suzy Pratt. Below, badgers class from Combe St Nicholas Primary School

FUNDRAISING for Macmillan Cancer Support's "World's Biggest Coffee Morning" campaign has continued in Chard.

A joint effort by Angela Smart and Suzy Pratt, with Anne Bosence providing prizes, saw a coffee morning raise £600-plus for the charity.

Suzy is a cancer survivor who used to hold the coffee mornings in her then salon. But this year the annual event was held at Danni's Hairdressers by kind permission of Anne.

In addition, Danni's Hairdressers also hosted a bric-a-brac stall, other sales and a prize draw, raising a total of £628.45.

Suzy explained the bumper total by saying: "This is a much bigger shop, so it was on a bigger scale this year."

Anne added: "I think everyone is touched by cancer."

All three praised the customers, their friends and everybody else who supported the fundraiser in various ways.

Angela added: "We would like to thank Numatic, who gave us a Hetty [vacuum cleaner] which helped to spark up the prize draw."

The badgers class at Combe St Nicholas Primary School near Chard also held their most successful coffee morning for Macmillan ever, raising over £270 for the cancer charity.

As in previous years, the coffee morning followed the school's harvest festival at the church. Many parents and local residents attended.

Mrs Cawley, badgers class teacher, thanked everyone for their support and praised the children who worked hard as waiters and waitresses on the day.

## Modern continental theme at flower arranging workshop

A RECENT flower arranging workshop held at Combe St Nicholas Village Hall, near Chard, attracted a full house of local ladies having fun.

Based on a modern, continental theme, they watched a step-by-step demonstration before rolling up their sleeves and producing some stunning designs to take home and show off to their family and friends.

Su Robinson from Wadeford, near Chard, said: "I absolutely loved this workshop and was amazed at what I made. I learnt how to fold leaves and use these as well as flowers in my arrangement."

"It was such good fun and with such friendly ladies, there

was a lovely, relaxed atmosphere. I can't wait for the next one when we're going to make something really different – a floral Christmas cake!"

Tutor Jackie Nicholls from Ashville Design said: "All the ladies on these workshops never fail to inspire me, particularly as the majority have had no experience at all."

"I live and breathe floral design and am always seeking new ideas to encourage everyone. There's no doubt that fabulous flowers make fabulous friends!"

# Holyrood students given insight into nursing

Year 10 students from Holyrood Academy in Chard got a unique insight into the world of nursing when staff from Somerset Partnership, including Chard and Crewkerne Hospitals, visited.

They talked to students about job opportunities, routes into nursing, roles within the profession as well as running a series of practical work stations.

Holyrood health and social care teacher Stacey Howe said: "This is great new partnership we have established and events like these offer our students a fantastic opportunity to learn more about their career options.

"It was an invaluable experience for our stu-

dents who were a credit to the school in their enthusiasm and professionalism. They got stuck in from the start and there were lots of giggles coming from the food tasting and some excited faces as they managed to successfully take blood from their plastic patient.

"I am sure the event has inspired some of them to continue into the nursing profession. It was certainly a great insight into the health and social care world."

Rebecca Misken, matron of Chard and Crewkerne Hospitals, led the practical sessions which involved four work stations. Each focused on different aspects of a day in the life of a nurse. Stu-

dents were able to have a go at taking blood pressure with both electronic machines and manually.

The food tasting proved eventful as students were encouraged to try a variety of different puddings and drinks that were full of calories to understand the types of food patients are given in order to gain weight when ill. But the most drama was certainly focused around the two dummy arms and fake blood.

Miss Howe would like to thank all the hospital staff that enlightened Holyrood's budding nurses and is already looking forward to their future visits to the academy.

# Crewkerne's new vicar settling in to community

CREWKERNE'S new vicar has started another chapter of a life that has seen the former engineer live in Oxfordshire, Jersey, and New York, to mention only a few.

The Reverend Stuart Huntley was officially instituted as the Rector of the Wulfric Benefice on September 2nd.

Almost two months down the line, he said: "Crewkerne is a great town with a great history and lovely, friendly, welcoming people.

"It is lovely to see everyone so committed to their churches and enthusiastic about fellowship across the benefice."

When asked about his plans and if parishioners will see major changes, he said: "What I want the church to do is connect more with the community as a whole."

He said the church has already increased its involvement with local schools, and added: "There are some thoughts and projects we have in mind.

"The church dominates the town [in terms of its imposing structure] but we don't have much of a presence.

"I think we got things to offer each other."

His wife Louise and their two sons, Johannes (11) and Lance (5), have also moved to Crewkerne after six months in Penzance following the family's return to the UK from Long Island, New York.

The Reverend Huntley said: "I was Rector of an Episcopal Church.

"It has been wonderful being able to serve the church across the world and experience different cultures, sports and way of life, but we are glad to back in England and are looking forward to making Crewkerne our home."

He was ordained in Winchester in 2008 and served his curacy on the island of Jersey at St Helier Parish Church.

Stuart loved island life in Jersey and was delighted to have the chance to develop his priestly ministry under the guidance of the

Dean of Jersey, the Very Reverend Robert Key at St Helier Parish Church with the added experience of the Vicar Canon Tim Neill from Zimbabwe.

During his time in Jersey Stuart contributed to Jersey Life magazine, created the role of Chaplain to the Combined Cadet Force of Victoria College and co-organised the annual St Helier Pilgrimage to the Hermitage at Elizabeth Castle and was a member of the team overseeing the substantial internal restoration of St Helier 12th century church.

His first incumbency took him to another island on the other side of the Atlantic, at St Stephen's Church in Port Washington, Long Island, New York.

He actually expected to return to southern England but was surprised by a call to St. Stephen's Church a few miles from New York City. St Stephen's is an Episcopal Church, which is part of the Anglican Communion.

He was pleased to have this opportunity to lead the church forward and further develop its ministry to families, teenagers and children, widen the membership base and their mission links in the community and to the other churches in the town.

Louise developed a programme to provide much needed baby and toddler items for families primarily from the poorer Latin American families by receiving and passing on donations from the general community, whilst liaising with the outreach programmes of the Catholic and Lutheran churches.

In 2014, Stuart was honoured to be named as Citizen of the Year by the American Legion of Veterans for his work with them as

an honorary chaplain.

Realising that it was now finally time to return to the UK, Stuart, Louise and their children returned to England and temporarily moved to Cornwall, to their house above Penzance in the ancient village of Madron.

As a family they love going to the beach, visiting museums and galleries and marvelling at the spectacular coastal and countryside views. Stuart and his son Johannes enjoy camping and walking across the coast and hills.

Before his call into the priesthood, the Reverend Huntley was an electromechanical engineer, studying at Southampton University before working as a project manager and sales engineer in the oil and gas and rail industries.

This was followed by working on the remote handling (robotic) system of the JET Nuclear Fusion Reactor in Oxford.

He said: "My wife went to church when we met, but I didn't although I saw myself as a Christian.

His churchgoing habits soon changed, though, and he explained: "One Sunday in 2002 I got a real, deep sense of the Holy Spirit and that I needed to go into ministry."

He studied for ministry at Trinity Theological College in Bristol.

This was a time he describes as very thought-provoking, spiritually maturing and challenging as he developed his understanding of mission and the place of the church in the wider community.

He was particularly moved by his experience working in a café for the homeless in the city centre, preaching at a young offenders' institution and being a member of the community-focused St Michael's Church in Stoke Gifford.

■ **SIGN OF THE TIMES:** Sue and Mike Frackiewicz, John Coleshill, Annabella Van Clute and Tony Reese about to attach the old sign

## Station friends call for spruce up

FRIENDS of Crewkerne Station (FOCS) have called for renovation and a new lease of life for unused facilities at the town's railway station.

A major concern is the 1960s signal box, FOCS members being convinced there must be a suitable commercial use for it.

FOCS secretary Gail Coleshill explained that Network Rail has implemented station improvements nationally over the last five years, focusing mainly on main line stations like Birmingham New Street and London Euston.

She said: "These are A and B category stations but the majority of stations under their responsibility are category E and F. Apart from the large number of unused and redundant buildings many are listed buildings.

"Crewkerne Station is a category E station and a listed building. It mirrors

a situation nationwide where there are redundant buildings which need renovation. We would like Crewkerne to have part of that money [Network Rail renovation money].

"The Friends of the station regret that the rooms above the station are unused although there is a commercial use of the lower floor. We also believe that there could be commercial use made of the old signal box."

FOCS is currently lobbying Network Rail through South West Trains, which is the train operator for the station.

The signal box was spruced up when FOCS members gathered at the station on Thursday, October 15th to unveil a replica of the sign originally on the signal box. The sign was found and acquired at auction, and the members said: "We believe that this interesting functional building has a history and could still be used locally."

## U3A members try folk dancing

■ **FOLKS:** Ann Hinchliffe and Ruth Thompson are surrounded by a circle of dancers (from left): Lesley Stansfield, Ann, Ann Needle, Ruth, Rosemary Seager and Denise Smith

CREWKERNE University of the Third Age (U3A) members enjoyed a Strictly Come Folk Dancing session at their October meeting.

Guided by folk dance teacher Ann Hinchliffe, members volunteered to take to the floor at the Henhayes Centre and joined in half a dozen dances, including a quadrille, dance of the flowers, and the oddly-named brawl.

Ann, who is based in Yeovil and is the historical dance master at Barrington Court, near Ilminster, looked the part for her talk-cum-dancing demonstration,

dressed in a Jane Austen Regency-style gown. She was accompanied by violinist Ruth Thompson.

The dances interspersed a talk by Ann on the history of folk dancing from the 15th to the 19th centuries.

U3A member Rob Wells said: "With Ann playing a concertina, they finished by playing a tune called 'Soldier's Joy', a favourite of Thomas Hardy's, which he mentions in 'Far From the Madding Crowd' as being played at Bathsheba's wedding."

## Inspection confirms safety of health centre

PATIENTS at Crewkerne Health Centre are in safe hands, it has been confirmed.

A Care Quality Commission inspection, carried out on September 2nd, emphasised on safety aspects.

The inspection was a follow-up to one in November last year, and chief inspector of General Practice, Professor Steve Field, wrote in the overall inspection summary "Action had been taken by the provider and we found the practice was now meeting the regulation for assessing and monitoring the quality of the service with the overall rating for the safe domain being good."

The key findings were as follows:

- There were arrangements in place to ensure medicines were held securely
- Learning from incidents, significant events and clinical audits had a clear process and all staff were involved in discussions, where necessary
- Recommendations from the fire risk assessment had been completed and appropriate checks to ensure the wellbeing of staff and patients regularly took place
- Actions and plans were in place to address promptly improvement areas from infection control audits
- Appropriate records were held to provide evidence that staff were recruited safely
- There was accessible information available to patients to inform them they could talk confidentially when in reception and could access the complaints policy

The practice serves approximately 11,250 patients.

## Harvest supper raises £135

PICTURED above, Broadway resident Pam Whitfield with the "natural" table decorations she made for the annual Broadway Harvest supper, which was held at The Bell Inn, where the 24 guests had the choice of a roast carvery or good old fish and chips. After the meal, Jane Mann from the Royal Agricultural Benevolent Institution gave a short talk on the work that the charity does to support farmers in need, including the accommodation that is provided by two properties, one of which is in Somerset at Burnham-on-Sea. Donations were taken, which combined with the collection taken at church amounted to £135, which Jane was thrilled to receive.

## Local man shares own experiences to help campaign for foster carers

A SOUTH Somerset man has joined a foster carer recruitment campaign by sharing his own experiences.

Trevor Goss (pictured), a fostering and adoption recruitment service team manager with Somerset County Council (SCC), grew up as a birth son in a family who fostered teenagers.

He has written a blog about his experiences for The Fostering Network's Sons and Daughters Month during October – a campaign celebrating the vital contribution made by foster carers' birth children.

Trevor, who lives near Ilminster, hopes to encourage individuals and families to foster older children who are in need of care in the county.

The council seeks local foster carers for children over 10 and teenagers. People who can foster disabled children, siblings, and who could provide children with a place to call home long-term are also sought.

Trevor explained: "All families are different, but with an adopted sister, parents who fostered and a brother with haemophilia, I spent much of my childhood involved in social care issues.

"Add to this a mother who was herself fostered, and who worked in a psychiatric unit, and I guess I was destined to a career working some-

where in social care.

"Over the past 50 plus years, I have almost continuously been involved with fostering and seen so many changes.

"Through fostering siblings and teenagers to young mums, the experiences of being a young person in a fostering household proved both interesting and embarrassing in equal measure.

"My parents stopped fostering for a while in my teenage years, then started again when I went to university – but neglected to tell me.

"They decided to foster pregnant teenage girls. When I returned for the university holidays I was confronted with a heavily pregnant young lady who had just moved in, and neighbours with a nudge, nudge, wink wink, mentality who clearly reached their own conclusions about my activities at university.

"I knew from a young age that I wanted to be a social worker, and after a few years working in generic child care, often with children in foster care, it was no surprise to anyone when I applied to work in fostering and adoption.

"Most [foster carers] are motivated to volunteer for the task for the same reasons I do: we want to make a positive difference to a child or young person's life.

"I know that the time a child spends in foster care is never wasted; it gives them the opportunity to have a positive experience of family life, for however long they are placed, and it is an experience that they can refer to later when they become parents themselves."

Those interested in fostering should call 0800 587 9900 or visit [www.fosteradoptsomerset.org.uk](http://www.fosteradoptsomerset.org.uk) to find out more.

## Rotarians try their hands at origami

### Flower club open meeting

THE Ile Valley Flower Club will hold its open meeting on Tuesday, November 10th at the Warehouse Theatre in Ilminster.

Doors open at 6.30pm and the demonstration will begin at 7.30pm.

National demonstrator Lucy Ellis will be the guest visitor and her subject will be "So Here It Is - Merry Christmas Everybody".

Tickets are available from Lanes Garden Shop in Ilminster and priced £10 for visitors with tea/coffee and mince pies on entrance.

More details by phoning 01460 75025, 01460 67325 or 01460 77233.

ALWAYS keen to learn something new, Linda Piggott-Vijeh, president of the Rotary Club of Ilminster, invited local origami expert Sean Clarke to show her fellow Rotarians and their partners how to make boxes.

Linda said: "It was really like going back to school and we all required a lot of help to complete what turned out to be really complex objects. Fortunately, Sean had a lot of patience although we did question his theory that origami is a relaxing pursuit, as deputy mayor Tony Walker, with his head in his hands in despair, showed all too well!"

"Once we had finished we were thrilled with the results and plan to decorate our Christmas tree for the Minster this year with them."

■ **SPANISH SOUNDS:** Samaritans director Liz Flower, second right, with Spanish guitar musicians Mark Barnwell and Jon Boyes and Flamenco dancer Aneta Skut

FANS of Spanish guitar music were in for a treat when two of the finest musicians in the South West, Mark Barnwell and Jon Boyes, who perform under the name Esperanto, entertained the audience at The Meeting House in Ilminster.

The entertaining duo, who are known for their individual style and dynamic musical chemistry, met by chance at an international flamenco forum in 2004, resulting in their enduring collaboration.

The event had been put together by Richard Jacobs in conjunction with the team from the Meeting House and was hailed a great success by all who attended.

During the evening Esperanto provided a diverse and entertaining show full of traditional, original and contemporary Spanish guitar music, influenced by Latin and Flamenco styles and at times betraying their

early rock influences.

In addition to this, Flamenco dancer Aneta Skut, gave an inspiring demonstration, to give a taste of what might be in store for those who sign up for her workshop at The Meeting House later this month.

The concert, sponsored by local solicitors Broomhead & Saul, helped to raise over £1,300, to the delight of the many Samaritans supporters who attended including Ilminster's county council representative, Councillor Linda Vijeh.

"The work that Samaritans carries out all year round in providing a confidential listening service to those who are in distress, could not continue without the generosity of those involved in local fund raising events such as this, for which we are extremely grateful," she said.

# War poster to highlight funds wasted on unused medication

A NEW poster campaign hopes to highlight the shocking £3million wasted on unused prescription medicines in Somerset each year.

GPs and pharmacists are using a First World War "help" themed poster in an attempt to get the costly issue across to patients in the county's care homes, GP surgeries and pharmacies.

One of the main areas of concern is the waste that arises from repeat prescriptions, which are ordered and collected by patients but not used.

It is estimated that £90million worth of unused prescription medicines are retained in individuals' homes, across the UK, at any one time. Around half of all patients do not take or use their medicines as prescribed.

Posters are being displayed in pharmacies and GP practices to raise awareness of medicine waste among both patients and carers.

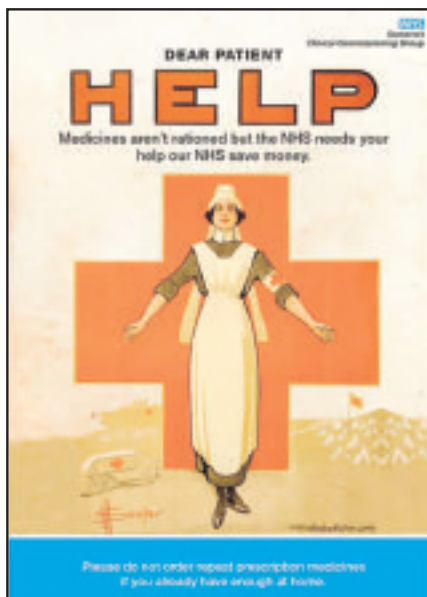

Shaun Green, associate director and head of medicines management with the Somerset Clinical Commissioning Group (CCG), said: "At a time when the NHS is under huge pressure to make its budgets go further and further, it is shocking to think that some patients are contributing to the needless waste of millions of pounds on prescription medicines that they have never used."

"This year's waste medicines campaign has a First World War themed poster calling for all of us to play our part in bringing down medicines waste."

"We want to improve communication between patients, GP practices and community pharmacies so that everyone realises that medicines are not rationed in the UK but we still have a responsibility to ensure medicines are not wasted."

"Somerset CCG will spend around £78million on GP prescribed medicines this year."

"As the population ages and people live longer, so more and more people will find themselves living

■ MESSAGE: Somerset CCG is using a wartime poster to highlight the issue of wasted prescription medicine

with a number long-term conditions and in need a large number of medicines to manage their condition. With many older patients taking so many medicines it is wise to review their use and the quantity they are reordering by repeat prescription."

Anyone with unwanted medicines can return them to their local pharmacy where they will be disposed of safely.

# Council warns of bogus callers

RESIDENTS are being warned after several reports of cold callers pretending to be from Somerset County Council.

Bogus calls are being made by a person claiming they are from Somerset County Council, asking for information for an NHS survey relating to an accident.

"Let me be clear, this is not a Somerset County Council employee," said Councillor David Hall, Somerset County Council's Cabinet member responsible for Devon and Somerset Trading Standards.

"Please, if you receive a call which sounds similar to this one, don't give out any personal details and end the call right away."

"You can report the call to Devon and Somerset Trading Standards via the Citizens Advice Consumer Service on 03454 040506, or contact Action Fraud on 0300 123 2040. Speaking out can help combat this scammer."

# Charity trust looking to help needy

A CHARITABLE Trust fund in Chard is looking to help sick, poor and needy people in the town.

The James William Gifford Charitable Trust was set up in 1931 by Mr Gifford's will and the charity is managed by a group of trustees.

The charity's secretary, Kelly Larcombe, said: "Although originally the trust was geared towards helping the sick, poor and needy of Chard, it can also consider grants for special health issues, social needs and certain living circumstances."

"The trustees welcome any applications by inhabitants living within the Parish Boundary which was re-established in 1998 and there is no age restriction."

There are five trustees and currently they are Dr Peter Glanville, Dr Bill Freeston, Mrs Angela Loader, Mrs Ruth Collins and the Reverend Sue Tucker.

Kelly added: "Some of the more recent grants made to individuals have been assistance with travel costs, recommended medical therapy and even contributing to individuals for school trips

"We are anxious for people not to be caught out, so please be on your guard for this, or any other bogus caller."

To ensure that a call is not scam, Trading Standards advises you to ask yourself the following – if you can answer 'yes' to any of these questions, there is a good chance someone is trying to scam you, in which case you should hang up.

- Was the offer unsolicited?
- Do I have to respond straight away?
- Do I have to ring a premium rate number?
- Do I have to give my bank or credit card details?
- Is the business reluctant to give their address or contact details?
- Am I being asked to keep it confidential?
- Does it look too good to be true?

Visit Trading Standards' Scams, Rogue Traders & Doorstep Crime page at <http://bit.ly/1VU8z9O> for more information and advice.

and for sports equipment for a pupil at school. It has also assisted with temporary accommodation whilst work was being carried out to update a property for disabled use.

"Referrals for such grants are usually made either by Social Services, or local GP's, Health Visitors and schools but due consideration is also given to requests made directly by individuals. Each case is considered on its merits by the Trustees and a decision taken as to whether to assist or not."

Although the trust fund is not large and the Trustees are limited to using the income produced from the special charity investments held, several hundreds of pounds are available for grants each year and grants can be arranged rapidly in emergency situations.

Referrals should be in writing but in the first instance, you may wish to contact the trust's secretary Kelly Larcombe on 01460-66265.

# Society return to stage with carnival season show

WHILE in its previous guise as Chard Light Operatic Society, the group regularly received nominations for the most prestigious regional awards, but it struggled to maintain audience numbers which put a great strain on the society's finances.

Now, with a new name and a fresh team at the helm, Chard Entertainment Society looked for a way to return to the musical stage in a way which would please local people without breaking the bank. They found it in "All The Fun Of The Fair", staged at Chard Guildhall, from October 7th to 9th as part of the town's carnival celebrations.

Inspired by the 1975 album of the same name and with music and lyrics by David Essex and a story by Jon Conway, this musical is performed to a professionally produced backing track, eliminating the need for an expensive orchestra.

Singing to a backing track is not always easy, but musical director Simon Cobbledick handled this challenge very well and the balance between the music and voices was well-maintained throughout.

The story is of Levi, the widowed owner of a fun fair going through hard times, and his son, desperate to make changes and move on from his mother's early and untimely death on the Wall of Death. Throw in a fortune teller with designs on Levi; her daughter Mary who is in love with his son; plus the attraction of a local girl, the daughter of a local "businessman" whose no stranger to violence, and you have the ingredients of a good plot including comedy, pathos and tragedy.

The David Essex role of Levi was sympathetically played by David Penticost, who moved the story along well with his worries about the fun fair and the relationship with fortune teller

## THEATRE REVIEW

By Sarah Everett

Chard Entertainment Society  
'All The Fun Of The Fair'

Rosa, played by newcomer Ellie Rose.

There were some dramatic and comic moments with his struggles to control his wayward son, as well as his dealings with local businessman Harvey (Andy Treble) and Harvey's somewhat dumb heavy, Druid, brought to life most scarily by Richard Walters.

Adam Chudley took the role of Jack the Lad in his stride, demonstrating his skill with sleight of hand to fleece the unsuspecting Druid and flirting with the girls, yet showing an intense dark side in his grief for the loss of his mother.

Neil Wells gave a pleasing performance as Jonny and his naïve character contributed well to the production. His father and "son" moment with Levi was poignant.

The son's love interests, Mary and Alice (the local girl) played by Amy Stoodley and Judith Izzard respectively, both shone, with Alice and Jack's song "If I Could" being a highlight of the show.

The run down fun fair was well portrayed by the sets and the energy and enthusiasm of the principals, chorus and dancers – well choreographed by Beckie Orchard – carried the appreciative audience along, with "Silver Dream Machine" getting a well-deserved ovation.

It was a good effort throughout and Chard Entertainment Society is to be congratulated.

## Care Act grants up to £5,000 available

ONE off Care Act grants of up to £5,000 are on offer to voluntary organisations and community groups in Somerset.

Somerset County Council has created the fund in recognition that voluntary sector organisations and community groups are vital partners in providing information and advice on the Care Act and support to local people.

Organisations can apply for up to £5,000 in one or both of the following categories of funding: to offer information, advice and signposting to local communities, or to expand or develop a new service to meet the needs of local people based on the Care Act principles.

The Care Act brought together a number of existing laws and new duties for local councils from April

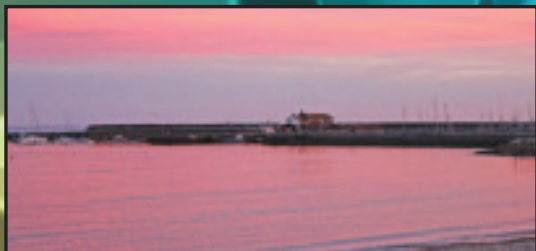

2015. Its main principles are to provide fairer care and support, promote people's well being, enable people to prevent and delay the need for care and support and carers to maintain their caring role, and put people in control of their lives so they can pursue opportunities to realise their potential.

Councillor William Wallace, Cabinet member for Adult Social Care, said: "I encourage small and medium sized community groups and organisations to apply for funding. Voluntary and community organisations are key to providing information and advice on the Care Act and support in communities to local people when they need it."

More information is available online at [www.somerset.gov.uk/get-involved/community/community-funding-sources/](http://www.somerset.gov.uk/get-involved/community/community-funding-sources/)

26 Silver Street, Ilminster, Somerset, TA19 0DR

THE GREEN HOUSE was opened in October 2014 by George and Richard who saw an opportunity in today's throw away culture to merge their passions for the environment and art by turning unwanted furniture and other items into recycled, preloved and repurposed pieces which have a new, fresh, vibrant and attractive look to them. It is not only furniture that they turn their hand to though. Items such as knives, forks and spoons are transformed in their workspace from mundane everyday objects to funky, usable and practical light fittings. There is a treasure trove of jewellery to choose from, ranging from steam punk to recycled biscuit tins, all uniquely hand-

crafted and perfect as gifts. There is also a nice variety of clothing and fair trade items from around the world available.

Commissions form a big part of their working day. Customers can bring in their tired furniture to the shop to be revived into something new and funky or they can source items for their customers and make their own chalk paint and colour match to whatever the customer chooses.

The Mantra that The Green House has been built upon is best summed up by folk singer and environmental activist Peter Seeger, "if it can't be reduced, reused, repaired, rebuilt, refurbished, refinished, resold, recycled or composted then it should be restricted, redesigned or removed from production". This is reflected not only in the unique creations that are made in-house, but also in the items that are showcased in the shop by other local artists.

The Green House is an organic growth from George and Richard's other business, Playart; which delivers workshops to children using recycled materials to do quirky educational workshops. They work with playgroups, playschemes, local government, childminders and families, festivals, churches. They even do birthday parties!

Their hope is to educate people to use their imagination and reuse already existing products to create wonderful, practical items making the world a greener, brighter place.

AUTO Enrolment is the government's scheme requiring all employers to set a pension scheme in to which their employees must be enrolled. You may have received a letter from The Pensions Regulator (TPA) asking you to nominate a contact for them to deal with.

You cannot afford to ignore this request – see the penalties below. HM Revenue & Customs are already imposing these on employers who do not get it right!

### What is your Staging Date?

The Staging Date is the date by which you must have

- A pension scheme in place;
- Assessed all your employees to see if they are eligible to be included in the scheme; and
- Given all your employees details of the scheme so that they make an informed decision as to whether they wish to opt out

There is no time to lose as the likelihood is that it will take at least three months, if not longer, to set up a scheme.

### Eligibility of employees

There are different categories of employee, dependent on age and level of pay. As an employer you must enrol those employees who are eligible in to the pension scheme – you have no option! It is up to the employee to advise the Pension Provider that they wish to opt out.

### Penalty for getting it wrong

There are some very serious penalties for:

- Not having a scheme in place by your staging date;
- Not enrolling employees who are entitled to be enrolled;
- Missing pension payment deadlines;
- Advising or coercing your employees to opt out; and
- Many other administrative errors.

With the initial penalty for non-compliance starting at a fixed £400 and escalating daily, ignoring auto enrolment can be an expensive matter.

If you need help to set up and administer your auto enrolment scheme call Simon Bachrach or Steve Curtis on 01460 279000.

# COLYTON Football Club

Peace Memorial Sports Centre and Playing Field

**First Team:** FRESHA Devon & Exeter Division One

**Reserves:** FRESHA Devon & Exeter Division Seven

**A** FORMER vicar in Colyton founded the club, originally Colyton Working Men's Football Club. The Reverend G E F Molyneux staged the meeting at the parish's former Sunday School and the team played its first league game on Saturday, September 3rd 1910 in The Perry Street & District Football League. The record books will show that it was not the most auspicious of starts, finishing bottom of the league with a record of

P	W	D	L	F	A	Pts
16	0	0	16	8	116	0

Obviously things improved and slowly but surely Colyton established themselves as a very well respected footballing side. The first few seasons saw home games being played out of the town in the village of Umborne. The club then moved to a pitch called 'Sheep's Nose' which was on top of Mount Hill. The home ground moved again to Hillhead, to Bolt Field, near the Railway Station. After World War 2, Colyton settled at the long standing home of Chantry Bridge. The farmer who owned the field lived by the pitch and he was very keen on football and watched every home game. He charged an annual rent of £10 per season with a bonus that he reduced the rent every time the club won a home game. The club relocated to the Peace Memorial Playing Fields for the start of the 2008-09 season, leaving many clubs envious of the pitches and open spaces available to Colyton.

The 1920's were a very successful time for the club, having attracted top players, many of them teachers from the Grammar School. This success was highlighted in 1925 when the club won the prestigious Morrison Bell Cup, an amazing feat at the time for a small 'village' team. The opponents in the final were Budleigh Salterton and the game ended as a draw. The replay

was held at Honiton Town, with Colyton winning 1-0. The victorious team returned to Colyton by train, where they were met by the town's brass band and then they paraded the cup through the lanes to a reception in the Town Hall, which was attended by virtually all inhabitants of the town.

The 1950's saw Colyton leave Perry Street football and join the ranks of the Exeter & District League, with a Youth Team emerging around the same time. They soon became a real force in local football with notable players such as Harold Gooding, Dennis Parr and Ken Clifford Snr leading the way.

Colyton saw a barren run between 1966 and 1978, with no trophies won. However, this changed in the 1978-79 season with the club winning a historic treble under the management of Eric Pomeroy. Colyton helped themselves to the Intermediate 1 East Division title, the Devon Intermediate Cup and the Grandisson Cup.

Over the seasons Colyton have won many cups and league titles, but have always had their feet on the ground as a community club which supports the local community and also values the support it receives from the community. There have been many generous sponsors who have backed the club over the seasons, and the club are extremely grateful for all the donations and help it has received.

TCAS Ltd Accountants are the current first team and away kit sponsor, and Mole Avon are sponsor of the reserve team. Other main sponsors are, Sean Greig Auto Repairs, Paul Millman Electrical and The Colyton Kitchen Company, the club are very appreciative of their support.

Last season Colyton finished in 4th position in Devon & Exeter Division 2 and were promoted to Division 1, where they have got off to a fine start this season, winning 5 matches out of 5. The Reserves finished in 5th position in Division 8 and were promoted to Division 7.

The club has over forty players signed on for the current season, including new signings Keith Forsey (from Millwey Rise), Simon Ward (from Axminster Town), George Holland and Liam Nicholls.

Alan Potter is managing the First Team this season, with Matthew Orsman continuing in his role as Reserve Team manager.

Alan said: "After many years playing at Beer and Seaton, and managing at Seaton for 7 good years, it was nice to get the opportunity to be involved with Colyton. My dad was a Colyton boy and always wanted me to play at Chantry. Unfortunately he passed away before I had the chance, but I hope that he's looking down with a big smile on his face."

There has been a lot of recent activity behind the scenes at the Peace Memorial Playing Fields, where Colyton play their home games. The Colyton Playing Fields Association, with additional monies secured by Colyton Parish Council from the Devon County Council Investing in Projects from the Sale of Exeter Airport Fund, has completed the building of The Tractor Shed. The purchase a compact tractor has also been undertaken to enable pitch maintenance throughout the year. In addition, with a generous donation from Colyton Carnival it has been possible to purchase new grass cutting and pitch maintenance equipment. Furthermore, work has also been recently undertaken to improve the drainage on the main pitch and the next project is to install dugouts to improve the facilities at the Peace Memorial Playing Fields.

It is proposed to install perimeter advertising boards around the main pitch in the near future and anyone interested in sponsoring an advertising board should contact Roy Turner, on 07540696110.

Any new players are welcome to turn up to a training session, which take place at Colyton Grammar School on Tuesday evenings, from 18:30-20:00.

## Q&A with Alan Potter

**How long have you been associated with Colyton FC, and in what capacities?**

This is my third season after Matthew Orsman asked me if I would like to help him for the season with a view to my taking over the following season.

**Who have been the best three players you've seen play in the red shirts of Colyton FC?**

With only three seasons at the club this is a hard question to answer but without upsetting the rest of the squad, the three players that would always be first on the team sheet are Callum Somers, who scores goals for fun! Nathan Maddocks because of the relentless work he puts into every game, and Paul Millman who is one, if not the best, captain I've had as Manager.

**Do any particular games or incidents involving 'The Tanners' stick in your memory?**

This is an easy one, the 4-3 win last season away to Upottery, not only did that avenge the 7-0 home loss to them but also ended Upottery's near three year record of not losing at home.

**How would you improve facilities at your Peace Memorial Ground home?**

Work is underway at the moment, improvements are being made to the drainage on the pitch, the remainder of fencing and creating new dugouts.

**What are your hopes for the new season in the Devon & Exeter League?**

This is my tenth season of managing a senior football team, having previously managed all three Seaton teams and now at Colyton, each new season is all about targets. The first target is to get the first win. The second is to get to safety and the third is to get as many points as possible pushing the team to promotional level.

**Name some of your young players that we should look out for in the future.**

One of the best things about Colyton is the youth ethic, at the moment I have the likes of George Richards, Matthew Berry, Ashley Driver, Sam Riley and Theo Hill but there are many more as the club has an excellent youth set up.

## Axcess Electric Bikes

# Five years Trading brings new Challenges

AXCESS-ELECTRIC-BIKES are celebrating 5 years of selling electric bikes in Honiton. During that time they have developed their own Axcess brand as well as selling other branded bikes. But now the company is facing a major change in the legislation controlling Electric Pedal Assisted Cycles (EPACs). As part of their programme of European harmonisation, the Government has accepted that EU legislation should take precedence. In The EU, the "Twist & Go" throttle is not legal.

All the electric bikes, including the Axcess brand, that are specifically manufactured for the UK market must be modified by 1st Jan 2016 to operate without a "Twist & Go". Peter Blackman, Director of Axcess, said that they have always regarded the throttle as a safety device for hill starts and when in traffic. Although it appears that the UK Government would allow an EPAC with a throttle to operate without Registration, Insurance and wearing a helmet, at present there does not appear to be any mechanism for achieving

Type Approval, other than for each individual bike to be certificated at a rumoured cost of £250 per bike. Any electric bike outside the EPAC Regulations will be classified as a moped.

Customers are being encouraged to purchase before the New Year, as the Government has made it clear that any electric bike legally on the road before January 2016 will remain legal to use.

Peter Blackman confirms that Axcess is working with their suppliers to produce a new bike that not only incorporates the latest battery and electronic advances, but also complies with the new legislation.

Honiton  
CARNIVAL

CARNIVAL week has arrived kicking off on Wednesday 21st October with a Meat Bingo in the Mackarness Hall, eyes down at 8pm. Then on Thursday 22nd October there will be a Children's Fancy Dress Party for children up to 8 years old in the Mackarness Hall from 4pm - 6pm, fancy dress competition, bouncy castle, entertainment and tea provided, £2.50 per child.

The carnival procession takes place on Saturday 24th October starting at 7.30pm prompt from Ottery Moor Lane. The roads will be closed at 7pm. We have around 50 entries at the moment, including floats and walking entries from Devon and Somerset

The procession will be led by the Blackdown Samba Band, the Honiton Carnival Queen, Jess Greenslade and princess, Lydia Josko and Honiton's Mayor, Caroline Kolek who will be walking the route with some helpers.

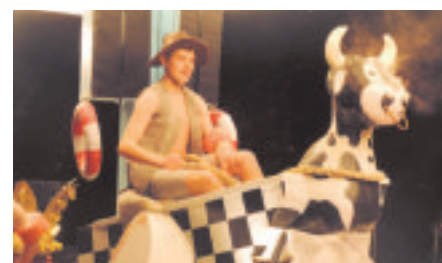

There will be several collection buckets along the route along with the official collection floats in the procession and we would ask everyone to give what they can to the collection which, in part, goes back to local charities.

A lot of work goes into creating the carnival entries throughout the year so we ask the crowd to applaud and cheer the entries as they go past and see if we can be the loudest and best carnival in East Devon!

HONITON Mayor, Caroline Kolek crowned Carnival Queen Jess Greenslade and Princess Lydia Josko on the 10th October. President of the carnival committee Myrtle Harris is also pictured. The duo were presented with the tiaras and sashes at the Honiton Craft Fair, which was held in the Mackarness Hall on Saturday (Oct 10th).

# Axe Vale Orchestra's Autumn Concert

THE AXE VALE ORCHESTRA presents a programme of pastoral and lyrical music for its autumn concert at 3.30pm on Sunday, October 18th in the Minster in Axminster.

Opening with La Calinda, the beautiful dance melody from Frederick Delius's opera Koanga, the concert continues with AVO's principal horn, Jonathan Stone-

man playing Mozart's second horn concerto. Jonathan will perform on a modern valve horn, but also demonstrate the 'natural' horn, the type of instrument on which Mozart and his contemporaries would have heard the work.

The second half of the concert will be Beethoven's Symphony no. 6, the 'Pastoral', evoking a day spent in the country - his first

impressions, going past the stream, hearing village celebrations, and coming safely through a violent storm.

Tickets at £10 are can be purchased at the Archway Bookshop, Axminster. There is no charge for children and students. As usual, tea and home-made cakes are available after the performance.

# Musical Theatre Society prepare for Jesus Christ Superstar

PREPARATIONS are about to commence for the group's production of Jesus Christ Superstar which takes place at the Manor Pavilion Theatre from Saturday 19th to Saturday 26th March (Easter Saturday).

JCS is the rock opera by Andrew Lloyd Webber and Tim Rice, which is loosely based on the gospels' accounts of the last week of Jesus's life. A large part of the plot focuses on Judas who is depicted as a tragic figure dissatisfied with the direction in which Jesus steers his disciples.

Audition rehearsals take place on the 28th October and the 2nd November with open auditions themselves on the 3rd November at the Manor Pavilion Arts Centre and the 4th of November at St Peter's Hall, Sidford. # Gigspanner return to The David Hall

SINCE HIS DEPARTURE from folk-rock pioneers Steel-eye Span at the end of 2013, legendary fiddle player Peter Knight has turned his full attention to his trio Gigspanner, and in the process has firmly established their burgeoning reputation as one of the most innovative acts on the folk/roots scene.

Justifiably met with significant critical acclaim, Gigspanner's riveting new album 'Layers of Ages' sees the band blowing the dust from a collection of well-worn traditional music and song to reveal authentic moments of staggering originality and great beauty, and has been added to the Telegraph's 'Best Folk Albums of 2015' list.

Hailed by Songlines magazine as "another milestone in folk's rebirth of cool", Gigspanner present a carefully curated and skillfully narrated program of material that goes way beyond the folk genres usual boundaries. Modern in interpretation yet classical in its virtuosity, it is music that continues to inspire audiences of all leanings, bringing them back for more.

Peter is joined by Roger Flack on Guitar and Vincent

Salzfaas on Percussion.

Peter Knight's Gigspanner play at The David Hall, Roundwell Street, South

Petherton on Friday, November 13th. Doors 8pm. Tickets £15 from 01460 240340.

## Luck be a lady tonight!

LUCK IS certainly a lady for Axminster Musical Theatre, whose production follows their smash hit *Jesus Christ Superstar* last November.

One of the most popular musicals ever written, the show is frequently described as the most perfect musical, combining stunning musical numbers, hilarious characters and a romantic boy-meets-girl story.

Hits such as "Luck, Be a Lady Tonight", "Take Back Your Mink", and of course, "Sit Down You're Rockin' The Boat", this production fizzles with energy, charm and entertainment. To see this stunning production, dates are Tuesday 17th to Saturday, November 21st at 7.30pm with a matinee on Saturday 21st at 2.30pm. Tickets are available on line from [www.axminstermusicaltheatre.co.uk](http://www.axminstermusicaltheatre.co.uk) or from the Archway Bookshop 01297 33595

# Luke Jerram comes to Devon with Museums at Night

EAST DEVON'S Thelma Hulbert Gallery (THG) is set to launch 'Harrison's Garden': an ambitious new art installation as part of the national Museums at Night festival this October.

After defeating other UK venues to win the chance to work with celebrated international artist Luke Jerram, THG is hosting the artist's spectacular clock installation featuring 1,000 clocks at their public art gallery in Honiton, Devon.

Luke Jerram, who is based in Bristol, commented 'This is an exciting opportunity to collaborate with an arts organisation I've not worked with before, on a new experimental project. It's a great privilege. I have collected hundreds of old clocks and sorted them into categories and sizes to create a garden of time. The clock-maker John Harrison's clocks were a breakthrough in chronology, hence Harrison's Garden. Each area of the installation will sound different. The public will recognise some of the clocks from their home and from their past. The clock sounds will heighten the visitor's awareness of time passing.'

Luke Jerram is an internationally renowned artist, with work exhibited throughout the world including the Metropolitan Museum of Art, New York. He is known throughout the South West for his 'Park and Slide' which transformed Bristol's Park Street into a giant water slide.

Gallery Curator, Angela Blackwell praised the public support which saw the gallery winning the national vote "Winning has given us this fantastic opportunity to work with Luke Jerram. Our supporters have been hugely generous in donating their clocks to create this installation which opens from 27 - 31 October with a really exciting programme of activities, talks and workshops throughout Half Term. THG will be open till 10pm on Friday 30 and Saturday 31 October to celebrate the Museums At Night Festival"

Rosie Clarke, Museums at Night commented 'It was wonderful to see how the people of Devon voted for THG to win the chance to work with Luke Jerram. Luke's one of the UK's top contemporary artists, and the mysterious 1,000 Clocks installation he has created should give visitors a truly magical experience.'

This installation is sponsored by Bearnes, Hampton & Littlewood auctioneers

## Session Americana

SESSION AMERICANA, a band/collective of talented musicians, craft a musical experience unlike any other.

On stage is a collapsible bar table, wired with microphones, a vintage suitcase recast as a kick drum, an old Estey field organ, a pre-war parlor guitar, a mandocello and all of its smaller siblings, a harmonica case fire damaged when Jack's bar went up in flames and graffitied by Depeche Mode roadies, and an assortment of other instruments that get passed around in this freewheeling modern hootenanny.

The anything-could-happen feel of a Session show depends on craft that's not acciden-

tal or easily won; they bring a kind of ease and genuineness to this timeless music, sometimes presenting the latest batch of original songs, sometimes reaching back into depths of the American 'song bag'.

Session Americana perform at The Beehive, Honiton this Friday, October 23rd. For more details see the advert below.

Here's what some current volunteers say they get out of being an IAC volunteer:

"I enjoy volunteering at the IAC because almost every week I get to meet new people, and over the years some have become firm friends."

"Volunteering at IAC really helped me after my husband's death - it makes me feel useful and it's such a friendly, supportive environment."

"One of the benefits for me of being a gallery steward is the free cup of coffee!"

"I have been helping at the Arts Centre since it opened. I particularly enjoy sharing the beautiful space with visitors with its amazing variety of creative work and the welcoming cafe. Long may it continue!"

## SPOTLIGHT

### SPOTLIGHT ON MY SERVICE

### Jim Rose Qualified Window Service Engineer

My name is Jim Rose and I am a fully qualified window and door service engineer, repairing double glazed windows and doors in the Exeter and East Devon area for over 30 years. before establishing my own repair business 20 years ago I worked for national companies Anglian and Europlas where I gained vast experience in many areas of my trade and excellent customer care skills.

I specialise in Misty double glazed sealed unit replacement, this is when it looks like there is condensation between the glass, all my replacement units are manufactured locally and carry a 5 year guarantee. I measure and fit all my own units which helps to keep costs competitive.

If your windows and doors are draughty, leaking or not closing correctly there are things that can be done to resolve these problems, sometimes it is just a simple adjustment or maybe new hinges or closing mechanism, no matter how old they are there is normally a solution many parts are still available.

I offer free quotations with no call out charge and all my repair work carries a guarantee.

**I can be contacted on

## Unprecedented numbers surge to buy ultra low emission cars

LATEST new car registration data shows booming demand for plug-in cars as motorists tune in to the cost-saving benefits of ultra low emission motoring. Analysis by Go Ultra Low shows that 20,992 motorists made the leap to plug-in power between January and September this year, a bumper growth of 138.5% against 2014.

Fuelling the demand is a greater choice of models, with more than 27 pure electric or plug-in hybrid cars now available in the UK, ranging from high-performance sports cars to capable family run-arounds. The new data shows consumer appetite rising rapidly for plug-in hybrid models with demand accelerating ahead 226.5% against 2014 with 14,041 registrations.

Head of Go Ultra Low, Poppy Welch, said, "The growth in plug-in car registrations is excellent news and in line with our expectations. This trend should continue over the course of this year as we know that motorists are keen to achieve maximum miles for the lowest cost, while minimising emissions and environmental impact."

### Shifting shares

In line with a trend seen throughout this year, registrations of ultra low emission vehicles continue to grow their share of the new car market, taking more than 1% share for the year so far. Up significantly from the same period in 2014 when just 0.44% of registrations were plug-ins, this move to new technology demonstrates the value motorists place in a variety of

options, enabling them to pick the car that best meets their needs.

### Plug-in bestsellers

The newest statistics reveal that Mitsubishi leads the new registrations charge, with 9,303 of its flagship Outlander PHEV sold since the start of 2015. Nissan follows with its all-electric LEAF racking-up 4,285 registrations, and BMW's i3 is the nation's third most popular ultra low emission vehicle, also nearly doubling its tally with 1,564 registrations.

### Future market

Government anticipates that 5% of new car

registrations (around 100,000 units) will be ultra low emission by 2020 – an expectation that appears on track in light of recent rises. As more motorists look to manage running costs, a money-saving end goal could be providing the momentum for the surge in electric vehicle popularity.

Electric cars can be driven for as little as 2p per mile, compared with 10-12p for a conventionally powered car. Furthering their appeal, the variety of city, family, SUV and sports cars provides the practicality motorists crave, while boasting up to 700 miles range.

# More than 17,000 convicted of careless driving in past two years, IAM discovers

THE Institute of Advanced Motorists (IAM) can reveal that more than 17,000 people have been convicted of careless driving offences since police were given the power to issue fixed penalty notices for it two years ago.

The figures come from a Freedom of Information request by the IAM, Britain's biggest independent road safety charity, to every police force in England and Wales.

The statistics cover the two years from August 2013 to August 2015. A total of 17,468 people were convicted of this charge in this time period.

Some 33 out of 43 police forces responded to the IAM's request. The force area with the highest number of people convicted was Essex (3,630), followed by Humberside (1,998), Nottinghamshire (1,139), Derbyshire (949) and Hampshire (929).

On 16 August 2013 police were given the power to give on-the-spot penalties for drivers who put other road users' lives at risk for offences such as tailgating and poor lane discipline.

### Shepton title push receives double boost – Barrington batter 11 – Mothers march on

**D & E Premier**

CHARD Town brought an end to their four game winless run with an emphatic victory over Exwick Villa Reserves under the Zembard Lane floodlights on Wednesday evening.

Two Ed Butler goals – the second a penalty after he himself had been felled – put the Robins in control at 2-0 at half-time.

Kieran Bailey made the points safe with a fine header and the scoring was completed when Liam Riste tapped in after Brad Marsden's shot had come back off the upright.

**Toolstation Division One – att; 63**

ANDY Butler's first goal in a Robin red shirt earned Chard Town a welcome three points at Zembard Lane on Saturday.

The former Wellington and Taunton Town player volleyed home six minutes from time to lift Chard back up to fifth spot in the Toolstation Western League Division One.

Earlier, Scott Holland had fired the hosts ahead in the 20th minute only for the Romans to level just before the interval.

**Robins:** J.Hutchings, M.Scott, L.Bailey, A.Butler, B.Haines, D.Hutchings, J.Regan, L.Waldy, S.Holland, Wells-Burr, E.Butcher, Subs: B.Symes, M.Westlake. The Robins are due to travel to face Bishop Sutton tonight (Tuesday) before Saturday's visit by Devizes Town (3pm).

**Somerset League Cup**

RICH Hebditch's 10th and 11th goals of the season couldn't save Combe St Nicholas from a League Cup defeat on Saturday.

The hosts took control early on and were 3-0 up inside the opening half hour.

Then Hebditch was fouled in box and dusted himself down before converting the resulting spot-kick.

The striker bagged his second with a crisp volley ten minutes from time only for Broad Plain to clinch the win two minutes later.

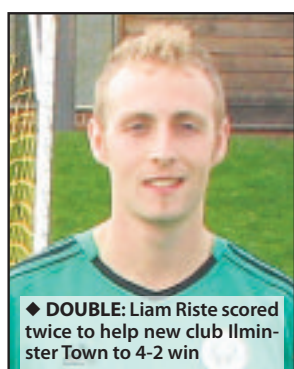

Next Saturday Combe return to Somerset League Division One (W) action with the visit of Winscombe. (3pm ko).

**CLEEVE WEST TOWN 3 ILMINSTER TOWN 4**  
**Somerset League Division One (W)**

ILMINSTER Town put in a gritty performance to come from behind to beat hosts Cleeve West Town 4-3.

Cleeve opened the scoring only for Jon Delahaye to equalise. Back came

the hosts to lead 2-1 at the turnaround. Alex Paul made it 2-2 before Liam Riste put the Blues ahead for the first

◆ **DOUBLE:** Liam Riste scored twice to help new club Ilminster Town to 4-2 win

time in the match.

Riste then added a second and an 80th minute third for Cleeve counted for little.

The three points takes Ilminster above neighbours Combe St Nicholas and into the top six.

Next Saturday Ilminster are due to entertain Congresbury (3pm).

THE boot was on the other foot as Chard Town Reserves as they crashed to a 3-0 defeat against opponents that they had beaten in the reverse fixture 4-0 just 72 hours earlier.

Next up for the Chard second string, failed to score for the first time this season, is Saturday's trip to face Sidbury United (3pm).

BEAMINSTER remain three points clear at the top of the table after a fine second half showing sealed a three-point haul from their trip to Slades Cross.

Dan Baggs put the Rainbows ahead only for the hosts to equalise before half-time.

Beaminster then went up through the gears after the turn around surging into a 6-1 lead through Baggs, Josh Hunter,

Owen Ward, Ben Ward and Brandon Scadding before the Saints netted two a couple of late consolations.

Cameron Barfoot (2) and Corrin Corrick netted for the hosts.

**CREWKERNE TOWN 2 BARRINGTON 11**

THERE was one-way traffic at Henhayes where Barrington underlined their third spot in the Premier table after crushing hosts Crewkerne Town 11-2.

Andy Whitefield led the way with four goals while strike partner Guy Dare netted a hat-trick and there were singles for James Thompson, Mike Whitefield, Sam Spurway and Tom Francombe.

Aaron Hodges scored both for the Tigers who slump to the bottom of the table as a result.

**LYME REGIS BANTAMS 0 CHARD UTD 2**

AN own goal and a late Norbert Harasiewicz strike saw Chard United climb up to sixth place in the table after a hard-fought 2-0 win at the Davey Fort.

A headed own goal by Lyme midfielder Jedd Whittington gave a United a slender lead at the interval.

Their cause wasn't helped when Scott Miller was dismissed for dissent in the 73rd minute by referee Kevin Luesley after a 'goal' had been goal out.

But Harasiewicz netted in the 89th minute to clinch the win.

**NETHERBURY 1 PERRY STREET 2**

PERRY Street manager Andy Bond felt his side deserved their win despite squandering a host of good chances.

As it was, a double from Dan O'Connor proved enough for the Mothers who remain unbeaten in the league.

**SHEPTON BEAUCHAMP 3 WINSHAM UTD 0**

WITH former Crewkerne Town duo Jamie Spurdle and Adam Dawe now amongst their ranks Shepton Beauchamp appear well-set to make a real push for the their first championship in 19 years.

◆ **NEW START:** Jamie Spurdle set up two goals in new club Shepton's 3-0 victory.

A fifth clean sheet in seven unbeaten outings provided the backbone for Saturday's 3-0 over Winham.

Shepton manager Aggie Smith began by assigning the new duo, along with veteran Jon Spendlow, with the water bottle duty for the first-half.

The hosts led 1-0 after a scrappy first half with Ben Pitman scoring from the penalty spot after referee adjudged Paddy Adams to have fouled George Pugson.

Pugson, along with Dan Smith, was forced off with ankle injuries and half time which gave Dawe and Spurdle their debuts.

The latter was soon in the action setting up Kris Hastings to make it 2-0.

Spurdle then had a cross blocked by Adams – and referee Salter pointed to the spot for a second time after deciding the ball had struck the defender's arm. Piman made no mistake and the win was secured.

Winham finished the game with 10 men after Steve Rodber was sent-off.

**SOUTH PETHERTON 5 W&M CHINNOCK 1**

SOUTH Petherton maintained their perfect start to the season with a comfortable 5-1 win up at Lightgate Lane.

Shane Adcock-Case put the Magpies ahead in the 20th minute only for Charle Gay to equalise five minutes later.

Adcock-Case and Sam Bourne then gave the hosts some breathing space at the interval.

League top-scorer Jamie Underwood scored twice in the last half hour to move up to 18 for the season.

Rovers are joined in the hat by SOUTH PETHERTON RESERVES who needed a 6-5 penalty shot-out win after finishing all-square at 3-3 after 90 minutes and 4-4 after extra-time at Somerton Reserves.

Nathan Storey, Jody Bovey, Matt Darby and Tim John scored the Magpies' second-strings goals.

There was little to cheer elsewhere; John Duffy scored PERRY STREET RESERVES' goal in a 4-1 home defeat at the hands of Bath Villa while CREWKERNE RANGERS went down 5-0 at home against Whitchurch Sports Juniors.

HINTON just had goals from Joe Djeebet and Danny Baker (pen) to show for their efforts as they were thrashed 10-2 at Peasedown Albion while Kieran Bailey netted the lonely looking consolation as MERRIOTT DYNAMOS were mauled 12-1 at Sydenham Rnagers.

# Popular Tessa appointed new club coach

BY PAUL HARRISON

MORE than 20 swimmers from Chard and District Swimming Club made the journey to Millfield School to compete in the ASA Somerset Development Meet, with a vast number of personal best and county qualifying times achieved.

Collectively the swimmers obtained 22 medals and a massive 70 personal best times; the develop-

ment gala is to help swimmers set new times on events or to improve to achieve county qualifying times.

Hannah Pullinger won the 100m freestyle and in the process also achieved a regional qualifying time, whilst Simon Davis claimed two gold medals to add to an impressive medal haul. There were also gold medals for Jamie Pullinger (50

freestyle) and Grace Lambert (200 freestyle).

Tessa Down took on the role of Club Coach over the weekend and her efforts were recognised by swimmers and parents alike, providing valuable feedback and paying close attention to areas for improvement whilst keeping the youngsters motivated.

With the season recently resumed, there is plenty of time for further improvements, making these results all the more positive.

Swimmers taking part were: Sarah Cawley, Abbie Herbert, Megan Herbert, Benjamin Webb, Simon Davis, Esme Huntley, Kaitlyn Flannigan, Xanthe Dyer, Jessica Fowler, Oliver Bright, Catherine Webb, Mia Hunt-

ley, Louis Whittome, Freddie Coles, Sam Hare, Grace Lambert, Harriet Copeman, Jevan Hampton-Rumbold, Katie Hampton-Rumbold, Jamie Porter, Paul Harrison, Hannah Pullinger and Jamie Pullinger.

The club is looking for new members age 7 and above, see [www.chardswimming.org.uk](http://www.chardswimming.org.uk)

## CRICKET St THOMAS

with Bert Robinson

THE start of the week saw many of the Cricket St Thomas Seniors taking part in an invitation competition at the St Mellion club in Cornwall.

This annual competition is in the format of match play between a composite team from Lyme Regis, Long Sutton, and Cricket St Thomas against the St Mellion Club, who have held the trophy since its inception four years ago.

The visitors were triumphant this year, winning the match by 8 games to 7.

Back home, 10 three-man teams took to the course for the two from three yellow ball competition.

Played in fine conditions, the clear winners were Phil Hunt's team who were 10 shots clear of the side led by Brian Anderson.

Results: 1st Phil Hunt, Roger Stone & John McOmish 102pts, 2nd Brian Anderson, Keith Branchflower & Danny Dowell 92, 3rd Nobby Hodder, Bryan Frost & Keith Potter 91.

Thirty eight Seniors entered the October qualifying stableford on Wednesday.

The cold, but generally fine conditions saw three players register scores of par or better. An outstanding 38 points was recorded by Trevor Dobson, with Ray Gudge just securing second place over Danny Dowell.

In Division Two Mike Dawson returned a score of 36 to secure the win by just two points from Andy Beale.

Results - Division One; 1st Trevor Dobson (38), 2nd Ray Gudge (36), 3rd Danny Dowell (34).

Division 2 - 1st Mike Dawson (36), 2nd Andy Beale (34) 3rd Bryan Frost (33).

Thirty nine Seniors ended the week on Friday with a three-man "waltz", whereby all members have to score on six holes.

A battle soon ensued between John Wallis's trio and that of Bob Barrow.

At the final hole, all members of the former team managed to score well which earned them victory by a solitary point.

Result: 1st John Wallis, Dickie Hall & Nobby Hodder 79pts, 2nd Bob Barrow, John Wandless & Robin Flower 78, 3rd Jerry Stephens, Ron Sutherland & Andy Beale 73.

## HONITON with Liz Rogers

### Men's section

TWO men's finals took place this week. Both singles match play, the competitions commenced back in June.

Firstly, the aptly named Phillips Cup for handicaps 0-16 - emerging as winner was Ben Phillips beating James Spiller in a closely fought final.

Secondly, the Mansfield Cup for handicaps 16-28 - not wanting to be outdone by son Ben, father Julian a few days later won this Cup by defeating Roger Matthews in the final.

Thirty members enjoyed the annual Mixed Fours two-day break at Bowdow Park. Teams were drawn each day and played in a 4BBB Stableford format with two scores to count full handicap allowance.

The first day the winning team with 80 points were Dot Grove, Lesley Oxenham, Steve Blundell & Charlie Doherty. Second place with 79 went to Linda Blundell, Elizabeth Wood, Laurie Tollemache & Phil Wall. Catherine Doherty, Olwen Eaton, Bob Barnes & Paul Ritchie were 3rd with 78.

On the second day, the winners with 75 points were Dot Grove, Elizabeth Wood, Bob Barnes & Bill Eaton. Second place went to Catherine Doherty, Olwen Eaton, Charlie Doherty & Chris Poole and third place was taken by Stephani Barnes, Linda Blundell, Max Pipe & Paul Ritchie with 73.

### Tuesday Mixed

MEMBERS enjoyed the lovely autumnal weather last Tuesday. Playing in teams of four, two ladies and two gents - the format was a Stableford competition off full handicap with the best two scores to count on each hole.

The winning team were Jane Watts, husband Mike and Andrea & Stan Squire with an excellent 89 points, a score helped by Stan chipping in on the 13th hole for four points.

Second place with 79 points went to Jennifer and Richard Pyle, Rosemary Whiteley & John Frith.

### Seniors section

OF the 64 seniors who lined up for the monthly Stableford competition only five

played to par or better.

Top of the class was Bob Cockett, winning Division Two with 39 points, beating John Chew by two. Jack Phillips took third place and David Lavender and Tony Proudfoot took the last two prizes in that division.

Leading Division One was Pete Morgan with 38 points, just beating Mike Kent. Eric Short was close behind and next up was Stan Squire, beating Paul Ritchie on count back.

### AXE CLIFF with Peter Motson

THE Seniors' annual competition for the Club Silver Salver resulted in a close fought finish that went right down to one single Stableford point.

The winning team of Sid Pember, Neil Moorcraft & Mike Tormes scored 71 points.

The format of best single scores on first six holes, best two scores on next six holes and, all three scores on the last six holes, proved to be an enjoyable but good test of teamwork.

In second place, with a total score of 70, was P Hornsby, T Strong & J Hannah and in the third were J Mant, P Wilkins & J Bannister with 67.

The Seniors annual Captains v Past Captains match, was won by the Cap-

tains 4-2, their winning pairs results were: T Strong & M Jamieson 1 hole, B Graham & A Bishop 1 hole, J Pugh/A Bishop 3&1, N Povey & P Hornsby 4&3.

Past Captains wins were: K Wilson & B Dale 1 hole, R Bragg/N Bowles 5&6.

The Seniors' recent away League matches away at Wheathill and Fingle Glen failed to bear fruit.

Wheathill won four games and Axe Cliff halved the other two. Fingle Glen won all five games including one pairing comprised of two Axe Cliff members, Tony Strong and Malcolm Reynold due to Fingle Glen not turning out a full team.

The Seniors Winter League 2nd round was won by T Jessop & A Bishop with 35pts, 2nd were A Vincent & G Cox (34) and 3rd on c/b were T Strong & D Lacey (34). Bob Graham scored the only hole in two.

The Ladies section three clubs and a putter competition was won by Helen Kenworthy & Jill Wellington, 2nd Sandra Walker & Stella Thompson and in 3rd were Glenda Board & Jo Donmall.

Meanwhile, the Mens' October Bowmaker pairs winners were Simon Sweetland, Andrew and Anthony Hellier. Anthony Hellier recorded a 2 as did Peter Pertherbridge and John Collins.

### Honiton Hornets 12 Sidmouth and Ottery 4th 0

HONITON Hornets recorded their biggest league win in the last decade with an emphatic dozen unanswered goals against Sidmouth & Ottery 4ths in the recent Petroc League 2 match.

The scoring was opened by Vanessa Trude and further strikes from Sophie George, Amy Phillips, Becky Heal and Kat Tucker made the score line 5-0 at the break.

The one-way traffic continued in the second half with four more goals for Player-of-the-Match Tucker, two more for George and one for Trude.

WITH no fixtures for any of the three senior XV's attention at Chard RFC turned to the club's Colts and newly formed Ladies U16s teams

## Chard Colts 19

## Nailsea &amp; Backwell Colts 10

A LARGE crowd turned up to see this colts match between two hitherto unbeaten sides and the performance of both sides did not disappoint all those watching.

In a very tight and competitive game Nailsea could have taken the lead but missed a straight forward penalty after 20 minutes.

Chard defended well against the free running visitors and then came back strongly with two lovely tries both of which were scored by number eight Ollie Harris.

Dan Newman added both conversions to give Chard a 14-0 lead and they managed to hold on to this advantage until the break.

Nailsea started the second half strongly and the usually strong Chard tackling was suddenly found wanting as they allowed Harvey Flower to burst through several tackles to score. The conversion was missed but Nailsea were now

really up for the contest.

Led by the strong running of skipper Josh Collins the visitors looked dangerous and scored another unconverted try when Alex Jones raced over.

A very competitive game got a little heated for the referee and he cooled things down by sending a player from each team to the bin.

Chard came back well after these two tries and clinched victory when after some splendid forward play Josh Nicholls crossed for his side's third try which this time went unconverted.

## Chard U16 girls 15

## Bridgwater U16 girls 10

ANOTHER large crowd turned up on Sunday afternoon for this first ever under 16 girls fixture.

Chard fly half Molly Swain had the honour of scoring the first try for Chard when she broke through the Bridgwater defence and ran 30metres to the line.

Not long afterwards Bridgwater equalled things up with an unconverted try of their own but Chard regained the lead when hooker Jess Leake successfully touched down for try number two.

◆ OFF TO A FLIER: The Chard RFC girls under 16s team which recorded a 15-10 win over Bridgwater in their first ever match at the weekend.

In an even game Bridgwater again equalised with a second try but Chard took a decisive lead when Sarah Pine made a strong run before off loading cleverly to Megan Armstrong who touched down.

Unfortunately an injury to a Chard player meant that the referee called

an early finish to the match

Any young ladies wishing to get involved in rugby should get in contact with Stuart Gold or George Busby at the club.

Chard RFC are hoping that this will be the catalyst for ladies rugby to really begin to take off and are keen

to recruit.

◆ Fixtures; Next Saturday Chard 1st xv are away at Camborne, the 2nd xv are at home to Wellington, the 3rd xv are away at Minehead and the colts entertain Clevedon at the Crewkerne Road. Ground - all games start at 3pm

## football youth round-up

## Axminster youth section gathering momentum

AXMINSTER Town AFC re-launched the Youth Team system 18 months ago with an Under 7 Team playing friendlies writes Vic Holland.

Saturday mornings was dedicated to training and it was noticeable some of the younger children turning up weren't getting significantly involved due to their age, size and lack of confidence.

After positive discussions with Danny Galloway and Brian Morgan, who were heading up the Youth it was decided to involve more parents to help out with the younger children.

Ian Manning offered his services and took charge of the Under 6s. "I just wanted the children to make new friends, have fun and learn about football". Since that time the club has now established U5, U6, U7, U8, U9 and U13 teams.

Most of the parents that have helped are now fully qualified Level 1 Coaches

which will enable us to expand with more age groups.

The youth set up is all about the children, whose parents week in and week out bring their kids to our training sessions, they see our passion, commitment and above all the smiles on the children's faces.

Reading this you might be interested in helping our Tiger team develop other age groups both for boys and girls or just want to bring your children to have some fun, then please do not hesitate to contact us or just turn up.

All we ask of you is bring the children's trainers/boots, shin pads and £2 training subs. We look forward to seeing you soon at Tiger Way.

## Season Update by Andy Hurford

WE are now two months into the season and the teams have been performing well, especially our UNDER 8S,

managed by Luke Reed with assistance from Luke Clifton and Simon Harris. They have won the majority of their games with Luke giving them all an equal opportunity to prove themselves on the pitch.

THE U13S, coached and managed by Peter Knox, have made a good start but have lost their last three games. First team captain Jon Hurford, a qualified coach, has joined Peter to help with the development of the team. Jon is looking to pass on his experience, leaving Peter to concentrate on managing the team.

THE UNDER 9S managed by Bryan Morgan with coaching assistance from Dan Galloway have found the season quite challenging. But with a lot of the younger children in the team every positive result - win, lose or draw - has been merited. We are looking for more players to join the team - especially a goalkeeper.

The UNDER 7S are looked after by Ian Manning who is looking to play regular friendlies against local clubs.

Axminster Town Youth AFC are progressing well, building more to provide football for all age groups up to 18 yrs.

If you'd like to become involved in anyway please contact myself Andy Hurford on 07795217160 or email andrewhurfordag@gmail.com

◆ Seaton Town U10s were edged out 2-0 against LYME REGIS in a very evenly matched contest in which both teams struggled to create clear chances.

The goals conceded summed up a scrappy game with a defensive error gifting Lyme an opener and a blocked cross that fell kindly for their striker a yard out.

Seaton managed to fashion what clear chances there were, but could not

work the keeper as the strikers missed.

Max Nevell did his best to change things late on with a shot, which somehow the keeper tipped over the bar.

Everything that was wrong with the first game came good in a friendly with MILLWAY EAGLES.

The two sides produced a cracking game that Seaton edged 5-4. The football played by both teams was exceptional with Aaron Hale bagging a hat-trick and Max Nevell and Leo Gribble completing the scoring. Man of the Morning was Daniel Byrne.
